

The screenshot shows the Wells Fargo online banking interface. At the top, there is a red header with the Wells Fargo logo and navigation links for "Sign Off" and "Welcome, [User Name]". Below the header, there are tabs for "Accounts", "Brokerage", "Transfer & Pay", "Plan & Learn", and "Security & Support". The "Transfer & Pay" tab is selected, and a dropdown menu is open, showing options like "Move Money & Pay Bills", "Transfer Money", "Pay Bills", "Send Money with Zelle", "Wire Money", and "Send to Another Country". The "Pay Bills" option is circled in black. Below the dropdown, the "Bill Pay" section is visible, with tabs for "Payees", "Scheduled", and "History". A search bar for payees and a "View" dropdown are also present. The "Add Payee" section is highlighted with a red dashed border, and the "Add Payee" link is circled in black. Below this, there are instructions on how to use Bill Pay and Zelle, and a question "Why not use Zelle for this payee?" with three radio button options. The "No thanks, keep me on Bill Pay" option is selected and circled in black. At the bottom right, there is a blue "Continue" button circled in black.

Choose the Best Way to Pay

Consider using Bill Pay when:

- You want to schedule a payment
- Payee prefers paper checks

Consider using Zelle® when:

- Sending \$2,500 or less
- You want it delivered quickly, generally in minutes to registered users
- Payee is someone you know and trust
- Payee has already or will register their email address or mobile number with Zelle

Why not use Zelle for this payee?

- Yes, leave Bill Pay and take me to Zelle
- No thanks, keep me on Bill Pay
- Don't ask me again about adding a payee to Zelle
